

City of Traverse City Street Department Leaf Collection Starts Monday, October 20

The City Leaf Collection Program will begin Monday, October 20, 2008. Residents are reminded that there is a City Ordinance which prohibits open burning in the City.

General Guidelines - NO PLASTIC BAGS!

- On curb & gutter streets, rake leaves down into the street. **Do Not Block Catch Basins.**
- On all other streets rake leaves to gravel shoulder or paved edge of the road.
- No leaves will be picked up in alleys, except homes along Division St., East Front St. from Railroad Ave. to Munson Ave., and Munson Ave. from E.Front St. to Airport Access.
- ***NO PLASTIC BAGS!* Leaves should be LOOSE - State Law prohibits plastic bags @ our City compost facility.**
- **No branches or brush will be picked up. Do not put them out for pick up.**
- Please do not park vehicles over leaf piles.

Leaf pickup will begin Monday, October 20, 2008 on the west side of the City. ***NEW!*** Due to weather and leaf fall variables, no specific pick-up date will be scheduled this year. We will cover the City neighborhoods, beginning on the west side and moving eastward, over a period of 5 to 7 weekdays, and then will return to the west side to repeat the process. Leaves should be raked out for pick up as promptly as possible. Depending on leaf fall, pick up will continue into November, providing winter snow does not begin.

PLEASE DO NOT ALLOW CHILDREN TO PLAY IN LEAF PILES IN THE STREET!

For further information, call the City Hot Line 922-4909
