#### **484.01 ESTABLISHMENT OF ZONES.**

Zones to be known as parking meter zones may be established by traffic control orders issued as provided in the Uniform Traffic Code for Cities, Townships and Villages, as adopted in Section 410.01, on any street or City operated off-street parking area.  
(1976 Code Sec. 25.041; Ord. 40. Passed 11-21-77.)

#### **484.02 INSTALLATION AND OPERATION.**

Parking meters installed in parking meter zones shall be placed adjacent to each parking place. Each parking meter shall display by a signal that the parking space adjacent thereto is or is not legally in use. Each parking meter shall indicate by a proper legend the coins to be deposited and the time limitations for each denomination of coin deposited. Upon the expiration of the time limit, the parking meter shall indicate by a signal that the lawful parking period has expired. In such case, the right of the motor vehicle to occupy such a space shall cease and the driver, possessor or person having control thereof shall be subject to the penalties provided in Section 484.99.  
(1976 Code Sec. 25.042; Ord. 40. Passed 11-21-77.)

#### **484.03 LINES AND MARKINGS; MANNER OF PARKING.**

The City Manager is hereby authorized to install parking meters in parking meter zones and spaces and to have lines or markings painted upon the curb, street or lot surface controlled by each parking space for which the meter is to be used. No person shall park any vehicle upon or across any such line or marking. The vehicle, insofar as possible, shall be centered within the designated parking space.  
(1976 Code Sec. 25.043; Ord. 40. Passed 11-21-77.)

**484.04 PARKING METERS.**

- (a) Meter activation required. Except for fully-electric vehicles which are not required to activate the parking meter, whenever a vehicle is parked in the space adjacent to a parking meter, the operator of the vehicle shall activate the meter by depositing in the meter a United States coin of a denomination indicated on the parking meter legend and if the meter is a manual type by turning or pressing the lever, handle, crank or other device provided upon such meter. Thereupon such parking space may be lawfully occupied by such vehicle during the period of parking time indicated on such meter. The parking meters must be activated from 8:00 a.m. until 6:00 p.m., Monday through Saturday except holidays and except such other times or circumstances as designated by the City Manager.
- (b) Overtime parking. No person shall leave any vehicle in any metered parking place when the meters must be activated for longer than the time indicated on the parking meter. Fully-electric vehicles shall not remain in any metered parking place for a period of time longer than legal parking time established for the parking space adjacent to the meter. No person shall deposit or cause to be deposited in a parking meter a coin for the purpose of increasing or extending the parking time of any vehicle beyond the legal parking time which has been established for the parking space adjacent to the parking meter. It shall be a separate offense to park at a metered space for each period of time equal to the maximum allowed on the meter.
- (c) Civil infraction. A person who violates this section is responsible for a civil infraction subject to the fine indicated in Section 488.06.

(1976 Code Sec. 25.044; Ord. 40. Passed 11-21-77; Ord. 109. Passed 6-2-80. Ord. 477. Passed 7-6-99. Ord. 543. Passed 10-1-01. Ord. 751. Passed 5-21-07.)

**484.06 USE OF REVENUES.**

All revenues derived from the use of parking meters as provided in this chapter shall be used to provide for the proper regulation and control of traffic on the streets, to cover the costs of developing and purchasing or leasing parking facilities, and to cover the costs of supervision, inspection, installation, operation, maintenance, control and use of the parking spaces, lots and meters.

(1976 Code Sec. 25.046; Ord. 40. Passed 11-21-77.)
